

My Favourite Teacher

My favorite teacher is Mr Cheng. He is my Chinese teacher. He has black hair and small eyes.

Mr Cheng is cheerful. He always puts a smile on his face. He makes us smile all the time.

Mr. Cheng is also very patient. When there is a difficult question, he is always willing to explain to us.

I usually chat with him. He is very talkative. We sometimes chat about our pets, our hobbies, etc.

I like him very much. I hope that when I am in Primary Four, he will be my teacher again.
